YOUR AIR CONDITIONER REQUEST

When making your payment to schedule the removal of the cover from the a/c sleeve, please inform us of the Living Room or Bedroom Sleeve. Not giving this information will delay our removal of the cover for your use. Please allow 24 hours for removal of the a/c cover. Tampering with any part of the a/c unit will result in a fine of \$150.00.

USE OR STORAGE OF SWIMMING POOLS

Our insurance company does not allow for residents to have portable pools of any size on the property at anytime and asks us to enforce this.

Our "Resident Handbook" given to all residents states:

"Use or storage of a swimming pool (even a kiddie pool) is strictly prohibited anywhere on the property.

If you are found to have a swimming pool, you will be asked to discard of it immediately and may be subject to a fine."
